

ZOLL POWERHEART G5 DESIGNED FOR UNEXPECTED HEROES™

If someone collapses . . . will you be ready?

Whether you are an experienced rescuer or a first-time responder, the Powerheart G5 automated external defibrillator (AED) provides a powerful combination of features that help rescuers provide sudden cardiac arrest (SCA) victims with swift, effective, and life-saving therapy.

- **Rescue Ready®** — Conducts comprehensive self-tests on pads, battery, and internal circuitry
- **RescueCoach®** — Guides rescuers through each critical step of the rescue with user-paced voice/text prompts
- **Dual Languages** — Changes from primary to secondary language with the push of a button

Order your Powerheart G5 today

Pricing includes a fully automatic AED and dual-language functionality in English and Spanish, as well as:
